

The India Mission

E V A N G E L I S M

Peniel Bible Seminary and Missionary Training Center

There are over one hundred students (men and Women) from sixteen states and from the country of Nepal studying and preparing for various ministries of the Gospel. As you may remember that we offer the following accredited degrees. Master of Divinity (M.Div.), Bachelor of Theology (B. Th), Diploma in Theology (D. Th), and certificate courses. Degree courses are taught in English and other courses are taught in Malayalam language.

Boys Home, Girls Home and Academy

Government of India imposes so many rules, regulations, restrictions and laws which makes it extremely challenging to continue our ministries to children. Already they have ordered to send so many children to whoever family members they have and we obeyed them. God willing we will share more about it after we come back from India.

Chacko & Vineetha to India

God willing Chacko and Vineetha will be travelling to India by the middle of September and plan to be there for a month. Please remember them in your prayers for travel mercies and as they will be engaged with many ministry responsibilities.

Dear Missions Partner,

We wish we could sit down with you and have a face to face conversation to catch up with what's happening with you and what's happening with the ministries of The India Mission for Evangelism, Inc. and our lives. Since that is not likely to happen at this time, please consider this as a personal note to you from our hearts.

We pray that you find the grace of God sufficient for each day's challenges you face. THANK YOU from the depth of our hearts for your prayers, love, letters, notes, and generous financial support. Your generosity along with others who love us and the work of the LORD in India make the many ministries of The India Mission for Evangelism, possible. Your partnership is so significant for the ministries in India.

As many of you already know another Academic year began in Peniel Bible Seminary and Missionary Training Center During the last week of May, along with our Girls' Home, Boys' Home, and Academy for Children.

Praise the Lord for:

We began another academic year.
